Appointing a legal representative

We have chosen a panel of legal firms to provide legal services to **our** customers. **We** have a financial relationship with these firms where they may make payments to **us** where **we** introduce **our** customers to them. There is nothing in **our** relationship with **our** panel firms which affects their ability to act in **your** best interests.

If **we** accept **your** claim, **we** will appoint one of **our** panel of **legal representatives** on **your** behalf.

You have the right to choose **your** own **legal representative** to represent **you** from the time **you** have the right to make a claim under this policy. This includes the right to choose **your** own **legal representative** if it is necessary to take **your** claim to court or if a conflict of interest arises.

Where you choose to use your own legal representative:

They may appoint a medical agency to arrange this examination. The medical agency will also consider whether rehabilitation would assist **you** in recovering from **your** injury.

If **you** use a panel **legal representative**, the medical agency will make a payment to **us** for this referral. **We** do not restrict **your legal representative** in their choice of medical agency and rehabilitation provider.

CLAIMS HANDLING

Our aim is to give **you** the best claims service that **we** can. If **you** use the services **we** have put in place to achieve this, **we** can provide a better service than when the claim is outside **our** control. Provision of a courtesy vehicle is entirely at the discretion of the approved repairer and is subject to availability. **Highway Insurance** will not accept any responsibility for losses arising where an approved repairer is unable to supply a courtesy car.
